Subject: Child and Adult Care Food Program (CACFP): Policy Memo List, Rescinded Policy Memo List, FNS Instructions List, Revised Questions and Answers, and Rescinded Questions and Answers

To: STATE AGENCY DIRECTORS - Colorado DPHE, Iowa, Kansas,
(Special Nutrition Programs) Missouri DH, Montana DPHHS, Nebraska,
North Dakota, South Dakota, Utah and
Wyoming

Attached are a copy of the CACFP Resource Index, the revised Policy Memo List, Rescinded Policy Memo List, Revised Questions and Answers, and a list of Rescinded Questions and Answers that have been issued through the date of this memo. Since there have been many updates and changes based on the Interim Rule, we decided to purge any outdated and suspended guidance in order to alleviate any confusion, misinterpretation, or duplication of Program guidance. If guidance is found in the Food Buying Guide, Eligibility Guidance, Infant Feeding Guide, Consolidated regulations dated January 1, 2003, Management Improvement Guidance, or other handbooks issued by FNS, then the outdated and superseded policy memos/questions and answers have been rescinded and purged. A listing of current FNS Instructions has also been included with this attachment.

We will also be sending the included lists and documents to you via an electronic file.

If you have any questions or comments regarding the updated resources, please feel free to call our office at 303-844-0354.
